Identify research & extension gaps and provide feedback to the concerned. Coordinate and conduct bi-monthly workshops. Conduct district wise diagnostic survey & comply reports. Document ITKs & farmers' innovations of the zone.
3.	Dr. G.S. Nagaraja*	Professor (Horticulture)	Assisting the Director of Extension in implementation & monitoring of technical programme of KVKs, Liaisoning between ATARI, ICAR and University for KVKs.

4.	Dr. V.L. Madhuprasad*	Professor (Agril. Extension)	Provide consultancy / advisory services to farmers and documentation of success story, database management and e-extension service to stakeholders.
5.	Mr. M. Jagadeeshaiah*	Assistant Comptroller	Maintenance of General Cashbook. Drawing Officer for ATIC, STU, SAMETI, FTI, BTU, IFS & Krishi mela. Issue of Financial Sanction Order relevant works pertaining to DE's Office.
6.	Smt. Philomena George*	Assistant Administrative Officer	Verification for issuing of increment orders, leave sanction orders, maintenance of personal files & SRs, Pay fixation of teaching/non-teaching staff, attendance, general correspondence, preparation of final settlement of pensioner's benefits on superannuation from the service, monitoring monthly staff position and overall supervision of the office.
7.	Mr. N.Papanna*	Sr. Programme Assistant (Computer) working as Personal Secretary to DE	Attending to the dictation of work, Preparing tour programs, tour reports of the Officer, reminding of schedule programmes/meetings, general correspondence, maintenance of enquiry files, compilation of replies/report to LA question.
8.	Smt. M.L. Umadevi*	Senior Typist	Attending to typing on the Computer.
9.	Mr. H.K. Prakash*	Senior Lab Assistant	Writing & maintenance of Cash Books, Purchase of stationery /other items for office, Scrutiny of various bills/ledgers and Maintenance of Office stores.
10.	Smt B. Bhagyashree	Assistant	Preparation of DC/AC/NDC/PDC bills, Maintenance of budget expenditure register, preparation of financial sanctions, maintenance of DBR/DBI registers, scrutiny of stock verification reports and general correspondence.
11.	Mr. K.S. Prabhakar*	Senior Bakery Assistant	Assist in preparation of Bakery products and attending dispatch work.

12.	Mr.A.V. Narayanagowda	Lab Assistant	Driving of office vehicle and maintenance of log book.
13.	Mr. N. Ramesh*	Attender	Assisting in conducting of exhibition, krishi mela, training programme, opening & locking of office rooms, any other work entrusted.
14.	Smt T. Rathnamma	Attender	Attending to DE's office chamber, opening & closing of office, attending phone calls, cleaning DR's chamber, assisting in exhibition & krishi mela and placing of tappal, any other work entrusted.
15.	Smt. Marilakshmamma	Attender	Attending Office table cleaning, tappal work, bank remittance, opening & locking of office rooms, attending the phone calls, any other work entrusted.
16.	Smt L. Radha	Attender	Attending Office table cleaning, tappal work, bank remittance, distribution of tappal to concerned sections, opening & locking of office rooms, assisting in exhibition & krishi mela, any other work entrusted.
17.	Smt. B.R. Lakshmiddevamma*	Attender	Attending Office table cleaning, bank remittance, distribution of tappal to concerned sections, opening & locking of office rooms, assisting in exhibition & krishi mela, any other work entrusted.
18.	Mr. Umesh Babu	Driver (Light vehicle)	Driving work and maintenance of log book.
19.	Mr. K. Murali*	Driver (Light Vehicle)	Driving work and maintenance of log book
II. FARM INFORMATION UNIT (FIU)			
20.	Dr. K. Shivaramu*	Senior Information Specialist	Liaison with mass media, publication of technical literature and digitization of published information. Organizing/ participation in Krishi melas / exhibitions and development of audio visual aids

III. DISTANCE EDUCATION UNIT (DEU)			
21.	Dr.K. Venkataranga Naika	Professor (Agril. Extension) and Head	Facilitation in planning, execution and monitoring on conducting of contact classes, examination and evaluation of Post Graduate Diploma in Agriculture Extension (PGDAEM), planning, conducting & evaluation of certificate courses and One year Diploma in agriculture. offering the PGDA course for Farm University graduates. Regularly offering certificate course on integrated farming. Supporting IGNOU in offering courses on agriculture.
IV. AGRICULTURAL SCIENCE MUSEUM			
22.	Dr. K. Narayanagowda	Professor & Head	Establishing agricultural science museum. Effective management of museum. Organizing the displays thematically. Periodical updating of the displays/material. Maintenance of database on museum material, visitors, etc. Effective management of resources, infrastructure and other material.
V. FARMERS TRAINING INSTITUTE (FTI)			
23.	Dr. J. Shivanna	Chief Instructor	Coordination in developing annual training calendar in consultation with clientele departments of the state and other organizations, Mobilization of funds for organizing trainings, Facilitations in planning, execution, monitoring and evaluation of FTI activities
24.	Mr. K.N.Chandre Gowda	Associate Professor (Agril.Extension)	Organizing trainings as course coordinator in the relevant subject matter areas, serve as resource person, facilitate in organizing trainings and documentation
25.	Dr. S.Y.Srinivasa Reddy	Associate Professor (Horticulture)	Organizing trainings as course coordinator in the relevant subject matter areas, serve as resource person, facilitate in organizing trainings and documentation

26.	Dr.(Smt) Banudeshpande	Assistant Professor (Food & Nutrition)	Organizing trainings as course coordinator in the relevant subject matter areas, serve as resource person, facilitate in organizing trainings and documentation
27.	Mr. C.Chandraprakash	Driver (Light Vehicle)	Driving & maintenance of FTI vehicle & providing transport facility to staff members
28.	Smt. K.Shanthakumari	Attender	Office cleaning and tappal servicing
29.	Smt. S.Sarojamma	Janitor	Cleaning & up keeping of office rooms & dormitories
VI. STAFF TRAINING UNIT (STU)			
30.	Dr. G.M. Varadaraju	Training Coordinator (Professor)	Coordinating in developing of annual training calender in consultation with clientele departments / organizations within and outside the state and the university. Facilitation in planning, execution, monitoring and evaluation of STU activities. Management of funds, resource and infrastructure effectively
31.	Dr. G.R. Pennobaliswamy	Professor	Organizing and monitoring of DAESI programmes as State Nodal Officer. Serve as resource person in the trainings/HRD activities of the unit/the university. Facilitate in organizing trainings and documentation
32.	Dr. C.V. Venkatesha Murthy	Associate Professor	Organizing trainings as course coordinator in the relevant subject matter areas. Serve as resource person in the trainings/HRD activities of the unit/the university. Facilitate in organizing trainings and documentation
33.	Dr. R. Narayana Reddy	Assistant Professor	Organizing trainings as course coordinator in the relevant subject matter areas. Serve as resource person in the trainings/HRD activities of the unit/the university. Facilitate in organizing trainings and documentation
34.	Sri. S.R. Srinivasappa*	Driver (HV)	Minibus management and driving.
35.	Sri. B.R. Gurumuthy*	Lab Assistant	Jeep management and driving.
36.	Sri. S. Banukiran	Attender	Attending tapal and Training hall works during training

VII. BAKERY TRAINING UNIT (BTU)			
37.	Dr.S.V. Suresha	Coordinator	Conducting classes for courses of different duration, liaising the activities of bakery and value addition centre with the staff. Linkages with different government, NGOs and other organizations. Establishing networking with the successful entrepreneurs. Motivating the trainees to become entrepreneurs. Monitoring the production activities. Supervising training programmes, imparting quality training to the trainees. Ensuring timely submission of mandated and other agencies as and when required.
38.	Dr. H.S.Mamatha	Assistant Professor	Conducting different training programme like 14 weeks, 4 weeks, short courses. Participating in all the programmes of unit.
39.	Dr. Shamshad Begum*	Assistant Professor	Conducting different training programme like 14 weeks, 4 weeks, short courses. Participating in all the programmes of unit.
40.	Smt. Rani Arvind	Instructor	Conducting different training programme, short courses. Participating in off campus programmes. Maintaining records of production unit.
41.	Mr. B.K. Kantharaju	Senior Bakery Helper	Production and sales of bakery products
42.	Mr. Hamunathappa	Senior Bakery Helper	Production, assisting in practice classes. Demonstrations and incharge of production.
43.	Smt. Anusuya*	Attender	Assisting the office work. Packing of bakery products.
44.	Mr. Tamil Selvi*	Attender	Assigned with the job of bakery helper – production. Assisting in practical classes. Demonstrations and incharge of production.
45.	Mr. Dilshad	Cleaner and Loader	Cleaning of vessels/utensils, production unit, maintaining cleanliness and hygiene of the production unit.
46.	Smt. Narayanamma	Senior Farm Laborer	Assisting in production of value added products for sale, assisting in practical classes of value addition training courses.

47.	Smt. Gowramma	Senior Farm Laborer	Maintaining & cleaning of class rooms, Laboratory, maintaining garden and assisting in office work.
VIII. AGRICULTURAL TECHNOLOGY INFORMATION CENTRE (ATIC)			
48.	Dr. N. Rajanna	Manager & Head	Facilitation in planning, execution, monitoring and evaluation of ATIC activities, facilitation in single window delivery of advisory services on agriculture as well as inputs to farmers. Develop annual technical programme. Ensure availability of required quality & quantity of seeds and other inputs produced in the University. Ensure timely availability of Scientists to provide information to visitors through Kissan Call centre. Establishment of demo units. Proper management of funds & accounts. Synthesizing & submission of various reports.
49.	Dr. K.J. Sowmya*	Farm Manager	Technical advisory services and management of sale of seed materials.
50.	Mr. Syed Jaffer Sadiq*	Tractor Driver	Driving work and Sale of Bakery products
51.	Mr. Y. Munikrishna*	Attender	Tappal disbursement and office Cleaning management
52.	Mr. M.Manjunath*	Attender	Tappal disbursement, office Cleaning management and sale of seed materials.
IX. EXTENSION EDUCATION UNIT, NAGENAHALLI, MYSURU			
53.	Dr. C.Doreswamy	Extension Leader (Additional charge)	Facilitate planning, coordinating & monitoring the Extension Unit. Financial and human resource management. Prepare action plan, timely implementation, submission of reports and effective utilization of staff and management of funds.
54.	Mr.Shivaswamy	Associate Professor (Extension Guide)	Information management on Agricultural and Horticultural crops and livestock. Technology on Agril. Hort. Production and feedback to resource system. Demonstrating production potentiality of latest technology. Conduct FLD, farm trails, training programmes and farm advisory services.
55.	Dr.P.Prakash	Associate Professor	

56.	Mr. S.Somegowda	Assistant Professor (Extension Guide)	Information management on Agricultural and Horticultural crops and livestock. Technology on Agril. Hort. Production and feedback to resource system. Demonstrating production potentiality of latest technology. Conduct FLD, farm trails, training programmes and farm advisory services.
57.	Dr. Vijayalaxmi Kamaraddi	Assistant Professor (Food Science & Nutrition)	
58.	Mr. Hanumatharayappa	Driver (Heavy Vehicle)	Maintenance upkeep the vehicle and maintenance of log books.
59.	Mr. A. Hassen Taj	Daily Rated Employee – 'C' Group	Typing the monthly repost, annual report and other typing work
X. EXTENSION EDUCATION UNIT, KOLAR (Functioning at STU, Hebbal, Bengaluru)			
60.	Dr. S.M.Pillegowda	Professor (i/c Extension Leader)	Facilitate planning, coordinating & monitoring the Extension Unit. Financial and human resource management. Prepare action plan, timely implementation, submission of reports and effective utilization of staff and management of funds.
XI. KRISHI VIGYAN KENDRA, HADONAHALLI, DODBALLAPUR TQ, BENGALURU RURAL DIST.			
61.	Dr.K.N.Srinivasappa	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities
62.	Dr.B.G.Vasanthi	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health . Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
63.	Dr.Savitha.S. Manganavar	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.

64.	Dr.G.Anand Manegar	Scientist (Animal Science)	Information management on livestock related aspects. Technologies validation relating to livestock production aspects. Livestock technology education to the stakeholders. Developing locality specific feed formulations.
65.	Dr.B.Manjunath	Scientist (Plant protection)	Information management on seasonal occurrence of major pests of crops. Surveillance and forewarning of crop pests in the district. Diagnosis of insect pests and diseases of crops. Plant protection related technologies, assessment, refinement and validation. Identifying suitable pest management practices and educating stakeholders. Feed back to the research system on researchable issues pertaining to plant protection.
66.	Dr.M. Padmavathi	Scientist (Agril. Extension)	Information Management. Training management. Human Resource Management. Building of Local institutions. Publicity and publications KVK activities. Public relations.
67.	Mr.N.Jagadish	Sr. Programme Assistant(Lab. Technician)	Assisting in maintenance of production units. Assisting in conduct of training programmes. Assisting in preparation of KVK reports.
68.	Mrs.B.V.Manjula	Farm Manager	Maintenance of KVK Instruction farm. Management of Farm Labourers. Maintenance of demonstration / production units. Maintenance of Farm records.
69.	Smt. M.K. Meenakshi	Assistant	Preparation of various bills, Writing of cash books. Monitoring of DBR & DBI, Deadstock. Maintenance of Service Registers. Administrative work.
70.	Mr.M.Nagaraju	Driver(HV)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book.

71.	Mr.N.Murali	Asst.Cook-cum caretaker	Providing food for the trainees. Maintenance of farmers hostels
72.	Mr.A.R.Channakeshava gowda	Messenger	Assisting KVK staff in day to day activities
XII. KRISHI VIGYAN KENDRA, HARADANAHALLI, CHAMARAJANAGARA DIST			
73.	Dr. C.Doreswamy	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
74.	Dr.G.S.Yogeesh	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health. Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
75.	Dr.Chandrakala Hanagi	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
76.	Dr.Shivarai Navi	Scientist (Plant Protection)	Information management on seasonal occurrence of major pests of crops. Surveillance and forewarning of crop pests in the district. Diagnosis of insect pests and diseases of crops. Plant protection related technologies, assessment, refinement and validation. Identifying suitable pest management practices and educating stakeholders. Feed back to the research system on researchable issues pertaining to plant protection
77.	Mr.N.T.Naresh	Scientist (Agril. Extension)	Information Management. Training management. Human Resource

			Management. Building of Local institutions. Publicity and publications KVK activities. Public relations.
78.	Mr.Mohankumar.A.B	Scientist (Hort)	Information management on horticultural crops. Horticultural crops related technologies assessment, refinement and validation. Technology education on horticultural crop production. Supporting the concerned in management of horticulture components on-farm(KVK farm). Market intelligence and linkages for horticultural produce. Feed back to research system on researchable issues on horticultural crops.
79.	Mr.Shashikumar	Scientist (Agronomy)	Information management on agronomical aspects. Crop production related technologies assessment, refinement, validation. Technology education. Promotion of integrated approaches in management of natural resources, crops and biodiversity. Overseeing management of on-farm resources (KVK farm). Feed-back to research system on researchable issues related to crop production activities.
80.	Dr.Somanatha Agasimani	Farm Manager	Maintenance of KVK Instruction farm. Management of Farm Labourers. Maintenance of demonstration / production units. Maintenance of Farm records.
81.	Mr.Bapurada Pompana Goudar	Sr. Programme Assistant(Lab. Technician)	Assisting in maintenance of production units. Assisting in conduct of training programmes. Assisting in preparation of KVK reports.
82.	Mr.G.B.Vishwanath	Programme Assistant (Computer)	Compiling and preparation of periodical KVK reports. Developing and maintenance of data base. Creation and maintenance of website. Updating the technologies by using the internet.
83.	Mrs.Sadgunavathi	Assistant	Preparation of various bills. Writing of cash books. Monitoring of DBR & DBI, Deadstock. Maintenance of Service Registers. Administrative work

84.	Mr.Subhash Chandra H Manakar	Driver(HV)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book.
85.	Mr. C.E. Ningaraju	Asst. Cook-cum caretaker	Providing food for the trainees. Maintenance of farmers hostels
XIII. KRISHI VIGYAN KENDRA, MAGADI, RAMANAGARA DIST			
86.	Dr.K.H.Nagaraj	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
87.	Dr.S.Kamala Bai	Scientist (Agronomy.)	Information management on agronomical aspects. Crop production related technologies assessment, refinement, validation. Technology education. Promotion of integrated approaches in management of natural resources, crops and biodiversity. Overseeing management of on-farm resources (KVK farm). Feed-back to research system on researchable issues related to crop production activities.
88.	Dr. Latha R.Kulkarni	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
89.	Dr.G.Keshavareddy	Scientist (Plant protection)	Information management on seasonal occurrence of major pests of crops. Surveillance and forewarning of crop pests in the district. Diagnosis of insect pests and diseases of crops. Plant protection related technologies, assessment, refinement and validation. Identifying suitable pest management practices and

			educating stakeholders. Feed back to the research system on researchable issues pertaining to plant protection
90.	Dr.B.G.Hanumatharaya	Scientist (Horticulture)	Information management on horticultural crops. Horticultural crops related technologies assessment, refinement and validation. Technology education on horticultural crop production. Supporting the concerned in management of horticulture components on-farm(KVK farm). Market intelligence and linkages for horticultural produce. Feed back to research system on researchable issues on horticultural crops.
91.	Mr.Syed Mazara Ali	Scientist (Agril.Engg)	Information management on Status and potential of farm machinery in the district. Empowerment of farmer and Extension personnel in the field of farm mechanization. Management of agriculture resources(soil and water) on the KVK farm and educating others. Feed back to the research system on various researchable issues.
92.	Mr.S.C.Ranganatha	Sr. Farm Manager	Looking after farm activities, monitoring demo plots, animal unit. Labour maintenance.
93.	Mr.K.R.Shyamasunder	Sr. Programme Assistant (Computer)	Compiling and preparation of periodical KVK reports. Developing and maintenance of data base. Creation and maintenance of website. Updating the technologies by using the internet.
94.	Mr.N.Rajesh	Driver (Heavy Vehicle)	Driving work and maintenance of log book.
95.	Mr.Krishnappa	Driver(Light Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book.
96.	Mrs.Saraswathamma	Messenger	Providing food for the trainees. Maintenance of farmers hostels.

XIV. KRISHI VIGYAN KENDRA, CHINTAMANI, CHIKKABALLAPUR DIST			
97.	Dr.Manjunatha Gowda	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
98.	Dr.Geetha M.Yenakanchi	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
99.	Dr. Devaraja	Scientist (Plant protection)	Information management on seasonal occurrence of major pests of crops. Surveillance and forewarning of crop pests in the district. Diagnosis of insect pests and diseases of crops. Plant protection related technologies, assessment, refinement and validation. Identifying suitable pest management practices and educating stakeholders. Feed back to the research system on researchable issues pertaining to plant protection
100.	Dr.N.Manjula	Scientist (Agril. Extension)	Information Management. Training management. Human Resource Management. Building of Local institutions. Publicity and publications KVK activities. Public relations
101.	Dr.M.Shalini	Scientist (Horticulture)	Information management on horticultural crops. Horticultural crops related technologies assessment, refinement and validation. Technology education on horticultural crop production. Supporting the concerned in management of horticulture

			components on-farm(KVK farm). Market intelligence and linkages for horticultural produce. Feed back to research system on researchable issues on horticultural crops
102.	Mr. M.R. Anand	Scientist (Agronomy)	Information management on agronomical aspects. Crop production related technologies assessment, refinement, validation. Technology education. Promotion of integrated approaches in management of natural resources, crops and biodiversity. Overseeing management of on-farm resources (KVK farm). Feed-back to research system on researchable issues related to crop production activities
103.	Mr. Jadhav Balaji	Farm Manager	Maintenance of KVK Instruction farm. Management of Farm Labourers. Maintenance of demonstration / production units. Maintenance of Farm records.
104.	Mrs. Aruna.G.R	Training Assistant	Development of crop plan in discussion with SMSs & implementation. Development of model demonstration unit. Documentation of meteorological data and cost of cultivation of crops cultivated in the KVK farm
105.	Mrs. N.Saritha	Programme Assistant (Computer)	Compiling and preparation of periodical KVK reports. Developing and maintenance of data base. Creation and maintenance of website
106.	Mr.S.N.Srinath Kumar	Assistant	Preparation of various bills. Writing of cash books. Monitoring of DBR & DBI, Deadstock. Maintenance of Service Registers. Administrative work
107.	Mr.S.Nagaraju	Driver(Light Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book
XV. KRISHI VIGYAN KENDRA, V.C.FARM, MANDYA			
108.	Dr.A.D. Ranganath	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to

			harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
109.	Dr.T.Bhagyalakshmi	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health. Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
110.	Dr.Kamalabai Koodigi	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
111.	Mr.H.M.Atheekur Rehaman	Scientist (Agronomy)	Information management on agronomical aspects. Crop production related technologies assessment, refinement, validation. Technology education. Promotion of integrated approaches in management of natural resources, crops and biodiversity. Overseeing management of on-farm resources (KVK farm). Feed-back to research system on researchable issues related to crop production activities.
112.	Dr.C.M.Savitha	Scientist (Agril. Extension)	Information Management. Training management. Human Resource Management. Building of Local institutions. Publicity and publications KVK activities. Public relations.
113.	Mr.M.Venkatesh	Scientist (Horticulture)	Information management on horticultural crops. Horticultural crops related technologies

			assessment, refinement and validation. Technology education on horticultural crop production. Supporting the concerned in management of horticulture components on-farm(KVK farm). Market intelligence and linkages for horticultural produce. Feed back to research system on researchable issues on horticultural crops.
114.	Mr.K.R.Ashoka	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health. Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
115.	Mrs.K.B.Apoorva	Sr. Farm Manager	Maintenance of KVK Instruction farm. Management of Farm Labourers. Maintenance of demonstration / production units. Maintenance of Farm records.
116.	Mr. H.M. Mahesha	Sr. Training Assistant	Assisting in maintenance of production units. Assisting in conduct of training programmes. Assisting in preparation of KVK reports.
117.	Mrs.Sukanya.G.V.	Sr. Programme Assistant (Computer)	Compiling and preparation of periodical KVK reports. Developing and maintenance of data base. Creation and maintenance of website.
118.	Mr. S. Gireesha	Assistant	Preparation of various bills. Writing of cash books. Monitoring of DBR & DBI, Dead stock. Maintenance of Service Registers. Administrative work.
119.	Mr.Ananda	Driver(Heavy Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book
120.	Mr.V.Girisha	Driver(Light Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book
121.	Mr.M.V.Gayathamma	Asst.Cook-cum caretaker	Providing food for the trainees. Maintenance of farmers hostels

XVI. KRISHI VIGYAN KENDRA, TIPTUR, TUMAKURU DISTRICT			
122.	Dr.T.S. Sukanya	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
123.	Dr.B. Mamatha	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health. Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
124.	Dr. Roopa B. Patil	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
125.	Dr.H.B.Shivappa Nayaka	Scientist (Animal Science)	Information management on livestock related aspects. Technologies validation relating to livestock production aspects. Livestock technology education to the stakeholders. Developing locality specific feed formulations.
126.	Dr.K.R. Sreenivasa	Scientist (Plant protection)	Information management on seasonal occurrence of major pests of crops. Surveillance and forewarning of crop pests in the district. Diagnosis of insect pests and diseases of crops. Plant protection related technologies, assessment, refinement and validation. Identifying suitable pest management practices and educating stakeholders. Feed back

			to the research system on researchable issues pertaining to plant protection
127.	Mr. M.H. Shankara	Scientist (Agril. Extension)	Information Management. Training management. Human Resource Management. Building of Local institutions. Publicity and publications KVK activities. Public relations
128.	Mr. Nagappa Desai	Scientist (Horticulture)	Information management on horticultural crops. Horticultural crops related technologies assessment, refinement and validation. Technology education on horticultural crop production. Supporting the concerned in management of horticulture components on-farm(KVK farm). Market intelligence and linkages for horticultural produce. Feed back to research system on researchable issues on horticultural crops.
129.	Mrs.Arjuman Banu	Training Assistant	Assisting in maintenance of production units. Assisting in conduct of training programmes. Assisting in preparation of KVK reports
130.	Mr. H. Pradeepkumar	Sr. Programme Assistant (Computer)	Compiling and preparation of periodical KVK reports. Developing and maintenance of data base. Creation and maintenance of website. Updating the technologies by using the internet
131.	Mrs.K.B. Accamma	Assistant	Preparation of various bills. Writing of cash books. Monitoring of DBR & DBI, Dead stock. Maintenance of Service Registers. Administrative work.
132.	Mr.B.Mallikarjunaiah	Driver (Heavy Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book
133.	Mr.S.Lokesh	Driver (Light Vehicle)	Accompanying KVK staff for implementing KVK activities. Maintenance of vehicle and log book
134.	Mr.L.Manjaiah	Asst.Cook-cum caretaker	Providing food for the trainees. Maintenance of farmers hostels

135.	Mr. Manjunath	Attender	Maintenance of all files of office and other office work
136.	Mr. Gangadhara	DRE employee – 'C' Group	Assisting in Soil and water testing lab and attending other office work
XVII. KRISHI VIGYAN KENDRA, KANDALI, HASSAN DISTRICT			
137.	Dr. Rajegowda	Sr. Scientist & Head	Facilitate planning, coordinating and monitoring the execution of KVK activities. Creating cooperative & conducive atmosphere to harness institutional productivity. Mobilization & utilization of resources effectively. Financial and human resources management for ensuring quality deliverables. Emphasizing TQM approaches in implementation of KVK activities.
138.	Dr.S. Channakeshava	Scientist (Soil Science and Agril. Chem.)	Information management on soils and soil health. Soil science related technologies assessment, refinement and validation. Technology education. Soil, water and plant analytical advocacies. Feed back to research system on researchable issues related to soils.
139.	Mr. M. Shivashankara	Scientist (Home Science)	Information management related to FS&N. Value addition to agricultural produce. Drudgery reduction approaches for farm women. Nutritional education to rural communities. Strengthening farm women institutions. Feed back to research system on researchable issues on FS&N.
140.	Dr. K.J. Kantharaja	Scientist (Animal Science)	Information management on livestock related aspects. Technologies validation relating to livestock production aspects. Livestock technology education to the stakeholders. Developing locality specific feed formulations.
